STIPULATION AND ~~PROPOSED~~ ORDER FOR THIRTY-DAY CONTINUANCE OF FACT AND
EXPERT DISCOVERY CUTOFF DEADLINES – CASE NO. CV 12-4285-LHK

1 By and through their undersigned counsel and subject to approval of the Court, all
2 parties to this action hereby stipulate to a 30-day continuance of all fact and expert discovery
3 deadlines in the Court's January 9, 2013 Case Management Order. The parties request the
4 Court's approval of an additional 30 days to complete discovery for the following reasons:

- 5 • On April 29, 2013, the parties participated in private mediation and believed they had
6 reached an agreed-upon preliminary approach for resolving one aspect of the case. After
7 the mediation, the parties determined that the approach was not feasible and they were
8 unable to finalize a partial resolution;
- 9 • The parties have served written discovery and are continuing to meet and confer to
10 resolve all certain discovery disputes, including privilege and privacy objections, before
11 depositions commence and without filing motions to compel;
- 12 • Counsel from four different law offices, including two sole practitioners, representing
13 four different client groups have been trying to coordinate fourteen party and non-party
14 depositions in Palm Springs and Orange County. They have encountered delays due to
15 scheduling conflicts, summer vacations, issues over the production of documents needed
16 for the depositions, and the availability of witnesses some of whom are high-level
17 municipal officials and practicing attorneys who have previously represented their clients
18 with regard to issues involved in this proceeding.
- 19 • Additionally, counsel for at least one of the defendants was engaged in trial and had
20 personal issues which affected that attorney's availability to meet and confer regarding
21 outstanding discovery issues; and
- 22 • This is the first request for a continuance of any deadline in the Case Management Order.
23 The parties do not seek a continuance of any other deadlines set by the Court, and they
24 believe at this time that the Court's other deadlines for dispositive motions (last day to
25 file and serve is November 14, 2013) and trial (March 3, 2014) will not be affected.

Based upon this Stipulation and the foregoing, the parties respectfully ask the Court to continue the fact and expert discovery deadlines by 30 days as follows:

Event	Current Date	Proposed Continued Date
Fact Discovery Cutoff	September 19, 2013	October 19, 2013
Last Day to Exchange Expert Witness Reports	October 3, 2013	November 2, 2013
Last Day to Exchange Expert Witness Rebuttal Reports	October 17, 2013	November 16, 2013
Expert Witness Discovery Cutoff	October 31, 2013	November 30, 2013

SO STIPULATED.
